

XERUSTM

CONSULTING

Company Registration Number: 2024/114871/07

Hi there,

We thank you for your interest in our company and look forward in potentially being of service to you. This brief introduction to our organization serves as a testament to the quality of services we supply to address our clients' needs.

While we firmly believe in positively impacting the projects of our clients, we further strive to cultivate lasting relationships to the benefit of our clients and ourselves.

We look forward in working with you and your team.

The Xerus Team

Our Company...

...who we are forms our business

Xerus Consulting (Pty) Ltd was established with the aim of providing professional Environmental- and Social Management Services to private- and governmental clients. Our team has the necessary expertise in developing, managing, and maintaining successful projects in various organisational structures. The combined experience of Xerus ensures delivery of personalised and professional services.

The Xerus team has substantial experience in planning, coordination, management and execution of a wide range of projects. With a firm focus on the mining sector, we aim to promote sustainability while ensuring compliance with the relevant regulations and standards. With our experienced team, Xerus offers a full range of professional consulting services, and a proven track record of employees that demonstrates technical excellence.

The Xerus brand is based specific values; being loyalty, integrity and honesty and our commitment lies in fostering integrity, innovation, and ensuring positive impacts on our clients' endeavours. It is our mission to make exceptional positive impacts to the outcomes of our client's projects; and our company model is based on full commitment and solution-driven outcomes.

Our Team...

...uncompromised talent!

REGISTERED ENVIRONMENTAL PRACTITIONERS

We have Environmental Assessment Practitioners who have been registered with the Environmental Assessment Practitioners Association of South Africa.

REGISTERED ENVIRONMENTAL SCIENTISTS

Our environmental team holds several Professionally Registered Scientists with the South African Council for Natural Scientific Professions, proving assurance to clients on quality and accuracy.

SOCIAL SPECIALIST

Xerus boasts an in-house Social Team to facilitate social compliance and monitoring.

EXPERIENCED RESOURCES

With a combined experience and unique exposure, our team holds the necessary knowledge and expertise to assist our clients on any project with any problem.

SPECIALISTS

The Xerus team has cultivated relationships with a variety of external Specialists which can be roped in to execute required studies or provide expert opinions when needed. These Specialists all hold the necessary registrations and qualifications in their respective fields of discipline (Ecology, Aquatics, Hydrology, Geology, Heritage, Legal, etc.).
